Studio of Jerry Gowen

Studio Policies

1. Payment for lessons (\$140.00) is due at the first of the month for the whole month. Please make checks payable to Jerry Gowen.
2. Arrive for your lessons in a timely manner. Your lesson begins promptly at (for example) 4 pm and ends promptly at 4:30 pm. It is helpful to arrive 5 to 10 minutes before your lesson begins.
3. **No make up lessons will be given for missed lessons.** However, if I have to cancel a lesson due to a performance, you will be credited (\$35.00) the following month for the canceled lesson.
4. If you are going to be absent, please call and leave a message at 615-390-0570.
5. If you intend to stop taking lessons, please give 30 days notice before you intend to stop. You will be invoiced for the 30 days.
6. Students are strongly encouraged to participate in studio recitals and other performing opportunities.
7. The involvement and encouragement of family is very important to students. Please remember this as they practice and perform their assignments for you.

I am looking forward to the musical journey we are going to take together. Feel free to call or email me with any questions you may have.

Thank you.
